ADVENT REFLECTIONS

We've all been disappointed at one time or another because someone made a promise that they didn't keep. But when God promises something, He *always* keeps it. When God said that He would give us the gift of life and send a Savior, He kept His promise when He sent Jesus.

Reflection: What does it mean to really worship God *fully*? Worship is a choice and act to intentionally place God first in our hearts and minds. Worship occurs in many forms such: as song, prayer, walking in the Spirit, meditation in His word and _____ (you fill in the blank).
